Dear Arjun,

CONGRATULATIONS!

It is my pleasure to offer you admission to the Harvey Mudd College Class of 2028! The admission committee has completed a careful and thorough review of your application, and your admission has been approved by unanimous vote. On behalf of the committee, I extend my warmest congratulations and am honored to welcome you to the Harvey Mudd College community.

To confirm your intent to enroll, you must respond by submitting the Admission Response Form <<https://connect.hmc.edu/apply/form?id=f9175666-5d1b-456c-ae2f-b933fae837be>> by January 8, 2024 at 11:59pm PST. You must also submit your \$300 enrollment deposit via the online payment form found in the Applicant Hub. Your enrollment deposit begins the process for obtaining housing as all first-year students are required to live on campus.

Within the next few days, the Office of Admission and Financial Aid will be mailing your Admit Packet, big envelope and all.

In the coming weeks and months, we will be working to select your future classmates. We will also be planning our various admitted student events and hope you and your family will join us for our Admitted Student Program on April 7-8. The program includes academic department information sessions, student-led events, plenty of free food and much more! Visit the Admitted Student website <<https://www.hmc.edu/admission/admitted/>> for more information. The website includes the link to the HMC Class of 2028 Discord, information on upcoming online events and other useful information related to your admission to Harvey Mudd College.

Please remember that our offer of admission is contingent upon the successful completion of your year at the same level of academic rigor, achievement and personal integrity with which you were admitted. In that regard, if you are still in school, you will need to send us a mid-year transcript by February 15 and a final transcript by July 1 or as soon as they are available.

In the meantime, please contact our office if you have questions of any kind. It is an honor to welcome you to the Harvey Mudd College Class of 2028!

Sincerely,

Thyra L. Briggs
